The purpose of this Charter is to set forth the composition, duties and responsibilities of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of GasLog Partners LP (the "Partnership").

I. Committee Purpose

The primary purpose of the Committee is to assist the Board in fulfilling its responsibilities to:

- Oversee the Partnership's financial reporting process, the integrity of the Partnership's financial statements, the Partnership's internal control structure and procedures for financial reporting, and the Partnership's legal and regulatory compliance.
- Oversee the Partnership's policies related to financial risk arising from the Partnership's operations.
- Oversee the independence, qualifications and performance of the Partnership's independent registered public accounting firm.
- Oversee the performance of the Partnership's internal audit functions and risk management department.
- Coordinate with the GasLog Ltd. ("GasLog") Audit and Risk Committee on matters pertaining to the GasLog consolidated financial statements.

The Committee has the authority to retain, at the Partnership's expense, special legal, accounting or other consultants or experts it deems necessary in the performance of its duties. The Partnership shall provide for appropriate funding, as determined by the Committee, for payment of the expenses of the Committee that are necessary or appropriate in carrying out its duties.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not employees of the Partnership and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Management is responsible for the Partnership's financial reporting process, including its system

of internal control over financial reporting, and for the preparation of consolidated financial statements in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board and for the report on the effectiveness of the Partnership’s internal control over financial reporting. The independent registered public accounting firm is responsible for expressing an opinion based upon its audits of the consolidated financial statements, management’s assessment of the effectiveness of the Partnership’s internal control over financial reporting and the effectiveness of the Partnership’s internal control over financial reporting. The responsibility of the Committee is to assist the Board in its oversight of these processes. It is not the duty or the responsibility of the Committee to conduct auditing and accounting reviews or procedures. The Committee’s considerations and discussions with management and the independent registered public accounting firm do not assure that the Partnership’s consolidated financial statements are presented in accordance with IFRS, that the Partnership maintained effective internal control over financial reporting, that the audit of the Partnership’s consolidated financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board or that the Partnership’s independent registered public accounting firm is in fact “independent”.

II. Committee Composition

The Committee shall be comprised of three or more members of the Board, each of whom shall be an independent director within the meaning of the applicable rules of the U.S. Securities and Exchange Commission (“SEC”) and the listing standards of the New York Stock Exchange (“NYSE”), unless the Board shall determine otherwise. The members shall be appointed by the Board annually. The chair shall be selected by the members of the Committee. All members of the Committee shall have a basic understanding of finance and accounting and be able to read and understand financial statements, and at least one member of the Committee shall have accounting or related financial management expertise sufficient for the Board to determine that such person qualifies as an “audit committee financial expert” under criteria specified by the SEC.

III. Meeting Schedule

The Committee shall meet as often as it may deem necessary or appropriate in its judgment, but in no event fewer than four times per year. The chair may call special meetings as circumstances require. Notice of each meeting, confirming the venue, time and date together with an agenda of items to be discussed, will be forwarded to each member of the Committee not less than five business days before the date of the meeting (unless such deadline is waived by the Committee or the chair) and each member of the Committee shall have the right to revise or make additions to such agenda prior to the meeting. A majority of the members shall constitute a quorum. In the absence of the chair, the members of the Committee may designate a chair for the meeting by vote of a majority of the members present.

The Committee shall periodically meet with the independent registered public accounting firm, the personnel responsible for the Partnership’s internal audit function, risk management and management in separate meetings, as often as it deems necessary.
